

REF: G/HANTEX-NEXA
Hantex[®] NEXA

NEXA™

A hardwearing, extremely cut resistant (ISO Level E) glove with a tough nitrile foam palm coating. HPPE fibres reinforced with a steel core means consistent level E protection even after extended uses, perfect for heavy duty applications where dexterity is paramount. The Nitrile foam palm coating creates a suction style grip in dry, wet or oily applications. Comes individually packed in retail polybags.
